Students Can Download Microsoft Office 365 for Free!

Enrolled GSC students can now download Microsoft Office Products (Office, PowerPoint, Excel, Outlook, etc.) without cost.

Search "Office 365" in Gordon Search Engine to locate instructional webpage.

Note: Students must be enrolled to download 365! If they are not taking classes during a semester, they cannot access 365 during that time!

They must login to 365 at least once every 30 days or they will have to re-install/re-verify the program.
