# Gordon State College SmarterMeasure Assessment

SmarterMeasure

SmarterMeasure is an assessment that measures learner readiness. SmarterMeasure is an indicator of the degree to which distance learning and/or learning in a technology rich environment will be a good fit for you. It will help you prepare to be successful as a student. You are not penalized for guessing on SmarterMeasure, please enter an answer for each question on the assessment. Upon completion of SmarterMeasure you will receive a score report which will not only help you understand your strengths and opportunities for improvement, but will also provide resources to help you succeed. Remember, this assessment is strictly for your benefit. Take the time to rate yourself honestly.

Individual Attributes

This section measures twenty-five attributes which can be used to describe you as a student. These attributes can be enhanced or improved through academic interventions. Ask your faculty member or academic advisor about the resources for remediation and/or support which your school may provide.

	Very much like me	Somewhat like me	Not much like me	Not like me at all
1. I am able to control my anxiety, worry or stress about my school work.	O	O	O	O
2. I appropriately express my thoughts to others.	O	O	O	O

Life Factors

Many students strongly desire to continue their education. However, other situations in their lives often prevent them from being able to do so. This section will ask questions in regards to the other elements in your life that may impact your ability to continue your education. **There are no right or wrong answers to this section.** The purpose of these questions is to help you and your school determine the degree to which these factors may complicate your ability to attend classes whether face-to-face or online. By being honest in this section, your school will be better informed about your particular situation. This information will allow your school to more effectively provide the resources for support that you need to be successful in achieving your educational goals.

1.
People continue their education for many reasons such as getting a raise at work, keeping their current job, getting a better job, personal satisfaction, and/or they were told to go to school by someone like a parent or supervisor. To what degree do you feel like you have a **strong reason for enrolling in school**?

O I don't really have a reason for going to school.

O I vaguely understand why I need to go to school.

O Undecided

4. The assessment will consist of certain subsections which many contain questions related to:

-Individual Attributes
-Life Factors
-Learning Styles
-Personal Ratings
-Technical Knowledge
-Technical Competency

**Assessments vary based upon assessment group.

A Guide to Interpretation of your SmarterMeasure Score

SmarterMeasure (formerly known as READI) is a tool to help you assess your readiness for learning in an online and/or technology rich environment. The SmarterMeasure tool is not intended to make an absolute decision as to whether or not you will succeed in your courses. However, your scores will give you an idea of your strengths in the different components SmarterMeasure assesses. It is strongly recommended that you communicate with someone at your school about your SmarterMeasure scores so that you will be informed of the resources for support which your school provides to help you succeed.

General Information

Student Name:	Sample Student1
Date Started:	November 28, 2014 @ 12:46 PM EST
# of online courses:	1

💬 **IMPORTANT TIP**
Use the navigation menu on the left or the buttons on the bottom of each section to navigate between each section of your results.

5. After completing the assessment, a report will be generated. You can choose to print/download the report as well as email the report to yourself or someone else. **It is highly suggested to email the report to yourself so that you can access the resource links at a later time.**

6. The first section of the report provides an overall summary of your data. You can then filter to specific sections to read more feedback related to your results.
