Exercise #1
It's 8:00 PM (you are not the RA on duty) but you are returning to your building from running an errand in town when the fire alarm sounds. Folks are rushing past you not offering much information (mad because they have to exit the building). What actions do you take?

Exercise #2
When awakened from a solid sleep around 2 am, residents inform you that there is water covering the entire first floor. What actions do you take?

Exercise #3
Public Safety has been notified of a suspicious package in the Student Center. You are in a club/organization meeting in the SC when PS begins to evacuate the building; they tell students to head to their cars or respective residence halls. What actions do you take?

Exercise #4
The roommate of a resident reports disturbing notes/concerns to you while in the laundry room. They suggest that there could be more information on FaceBook and Twitter. What actions do you take?
