Description: Dedicate a year to service and provide urban students with the individualized attention they need to achieve college success. According to the Millennial Impact Report, 70% of recent college graduates volunteer their time to a cause that is important to them. Make an impact and join Great Oaks Charter Schools and the Great Oaks Tutor Corps in the movement to closing the achievement gap.

Position Summary

As a member of the Great Oaks Tutor Corps, you will mentor and tutor middle or high school students at a Great Oaks Charter School for the duration of one school year (August-June). This is a service role through AmeriCorps with regular full-time hours Monday-Friday and some Saturdays.

In exchange for your year of service you will receive a living stipend, free furnished housing with utilities included, health insurance and on-going professional development throughout the year. You will also be eligible for a Segal Education Award through AmeriCorps after the completion of your AmeriCorps term of service. Most importantly you will have an opportunity to shape the future of students living in urban communities.

The ideal candidate for the Great Oaks Tutor Corps is a bright,

talented recent college graduate passionate about dedicating a year of service. Great Oaks has schools in Newark, NJ, New York, NY, Bridgeport, CT and Wilmington, DE, and is seeking tutors for all sites. The Tutor Corps plays an integral role in helping our schools achieve their mission: to prepare students to succeed in college. Great Oaks is seeking individuals who are motivated, enthusiastic and up for one of the most rewarding challenges of their lives.

Responsibilities

As a Great Oaks Tutor Corps member you will invest your time and energy in the success of a small group of middle or high school students to help pave the way to their college success. The majority of students enter Great Oaks several years below grade level, so this role requires hard work, creativity and a dedication to helping students beat the odds. Most of your day will be spent tutoring students one-on-one or in small groups. You will also take part in secondary projects that directly impact the academic achievements of students. These projects may include providing in-class or curriculum support, organizing or leading after school clubs or working with our culture team.

Specific responsibilities include:

Bolstering student achievement:

Provide daily tutoring to several small groups of Great Oaks students

Work closely with teachers to develop individualized tutorial content

Assess student progress on a regular basis

Bridge a connection between classroom teachers and the content they deliver in their classrooms with the content you are delivering during tutorial sessions

Lead after-school student clubs

Support Saturday Academy over the course of the school year when necessary (dependent on school community placement)

Work with students to set individualized student driven goals on a frequent basis

Actively participate in meetings pertaining to your role as a tutor and the success of the students you are working with

Building relationships with families:

Develop authentic relationships with families through phone calls and other communications to share progress on student tutorial performance

Attend family and parent events

Create opportunities to connect with families on an ongoing basis

Assist with overall student success during the school day:

Be present during transitions and escorting students when necessary

Engage with students during their lunch period

Assist with other activities and projects that directly impact student success

Qualifications and Competencies

As a prerequisite, the successful Tutor Corps candidate must believe in the mission of Great Oaks. The candidate should demonstrate a passion for breaking new ground to lead social change. A successful candidate will also bring the following qualifications and competencies:

A strong academic record with a completed Bachelors degree from a competitive college or university by August 2017. College seniors we are looking for you!

Some experience working or volunteering with children; some tutoring experience preferable

A commitment to serving children in under-resourced, urban communities

Exceptional ability to respond well to feedback and implement it immediately

Tenacity, flexibility, passion and excellent communication skills

General Information

This AmeriCorps service role will start in early August of 2017 and run through June of 2018. We will begin reviewing online application beginning in mid-September and phone interviews will begin in October. The online application requires you to write a brief paragraph. If you are applying through a mobile phone we suggest using the notes feature and copying and pasting your paragraph into the application to ensure the clarity of your writing.

Great Oaks Tutor Corps positions are available in NYC, Newark, NJ, Bridgeport, CT. and Wilmington, DE.

Digital Media Intern

Imagine Media Consulting LLC

Position Type: Internship/Co-op

Desired Major(s): Business, Communications

Location: Atlanta, Georgia (United States)

Description: Imagine Media is currently offering 16-week internship opportunities.

There are a lot of reasons to join us here at Imagine Media Consulting. Maybe it's our insane passion for our clients. Or maybe it's our startup, small business, independent environment- the fact that we are not stuck in business suits in a stuffy boardroom. Or maybe it's because our team is made up of SOCIAL rockstars. Whatever the reason, we're constantly seeking smart, hardworking, organized, energetic, overachievers to welcome to our small team, who are just as self-motivated to making brands better post by post.

A few reasons why you'd want to work at Imagine Media and confirm whether you're a good fit for this internships:

You are self-motivated, hungry for a challenge, and looking to make an immediate impact. You want to work hard and be part of a fun, growing company.

You balance your life with work as you see fit (as long as you are fully dedicated to the role). It never gets boring and you will learn more than you can IMAGINE.

There are no work politics or BS to sift through. Our focus is solely on client success.

You are an extroverted, very social person. You love interacting with ALL kinds of people and getting to know new people.

You are smart, creative, accountable, willing to go the extra mile, and really "get it". If you don't understand this bullet, you aren't a fit.

This role will be responsible for all aspects of performance benchmarks; reporting, creating Facebook/Instagram ads, as well as managing the tools to ensure client results are measurable and tracked. A successful candidate is highly analytic, digitally skilled, customer focused, results-driven and highly inquisitive about data. This role has the potential to transition into a Full Time Digital Marketing Position based on performance and company growth within the first 6 months.

In this role, the Digital Media Intern will report directly to the Digital Media Coordinator but also

work closely with our Social Media Manager. Candidate must be available for mandatory Monday meetings at 2:00pm in Atlanta.

REQUIREMENTS:

- College concentration in finance, business or marketing preferred
- Proficiency with Wordpress/Squarespace, Facebook, Twitter, Instagram, Pinterest, LinkedIn and email marketing
- Excellent Excel skills; experience using digital marketing tools like Sprout Social, Google Analytics for data, reporting and dashboards
- Proficient and active on social media platforms: Facebook, Google+, Instagram, LinkedIn, Twitter and Pinterest
- Basic graphic design work and familiarity with Adobe Suite (primarily photoshop)
- Highly creative with experience in identifying target audiences and devising digital campaigns that engage, inform and motivate
