Teach in China! Full-time Job with Competitive Salary, Paid Relocation, Paid Vacation, Space to Grow! All majors are welcome

Best Learning English

Position Type: Full Time

Job Location: , Nationwide (China)

Description: Relocate to China for this amazing opportunity. The annual salary will be USD 24,000 to 36,000 but the living and traveling cost will be much more affordable in China. Take the opportunity to enrich your life!

Best Learning is one of the most recognized language schools in China. We use US curriculum and US textbooks to create an authentic American academic environment for Chinese students. We currently have over 30 schools in China and over 200 foreign teachers. Teachers will teach English through various subjects such as Math, Science, Social Studies, and Reading. If you are looking for international traveling experience, a chance to learn Chinese language and an opportunity to work in a cross-cultural working environment in one of the fastest growing economies of the world, THIS IS IT!

Currently, we have openings in Beijing, Shanghai, Xi'an, Changsha and Shenzhen. This exciting opportunity requires you to relocate to China for at least six months (one year strongly preferred).

About the Teacher Position

Position: full-time

Location: Beijing, Shanghai, Xi'an, Changsha and Shenzhen

Contract duration: 6 months OR 1 year with possibility to renew (one year strongly preferred)

Class size: 10 to 15 students

Chinese teaching assistant working with you in the classroom (less stress)

Curriculum development provided by our academic department (less preparation work)

Start Date: Any time of the year. We have new positions every month so we welcome you to apply now

No more than 40 total working hours per week

(including teaching, course preparation and trainings)

Teacher Salary/Benefits

Monthly income: Depending on your qualification, you can earn RMB 12,000~ RMB 20,000 per month (approximately US\$2,000~US\$3,000 per month). The income includes base salary, teaching hour income and housing allowance

Health Insurance

Up to 10,000 RMB airfare reimbursement (approximately US\$1,500) if you fulfill one year contract

6,000RMB Annual completion bonus (approximately US\$980) if you fulfill one year contract

Vacations in Winter and Summer

15 days free hotel accommodation upon first arrival
 Taxi cost reimbursement from the airport upon first arrival

Inside Sales Representative

SUPPLY.com

Position Type: Full Time

Desired Major(s): All Majors

Location: Atlanta, Georgia (United States)

Description: ABOUT SUPPLY.com

"When companies grow quickly, there are more things to do than there are people to do them. If you're offered a seat on a rocket ship, don't ask what seat. Just get on." Eric Schmidt once said this to Sheryl Sandberg and explained that only one criterion matters when picking a job: fast growth. We couldn't agree more.

Located just outside of Atlanta, SUPPLY.com is that rocket ship and we're growing at a rate that just might break the sound barrier. Why? The plumbing supply industry is about as old school as it gets. Our goal is to completely flip the script and revolutionize this archaic industry. How? Our team of entrepreneurs, creatives, and engineers serves up cutting edge technology with a generous helping of expert customer service. We work hard, celebrate wins, and build something great every day.

ABOUT THE ROLE

As an Inside Sales Representative, you are the dedicated, resourceful contact for trade professionals across the country. You are responsible for delivering expert-level service to existing customers and seeking out new relationships to build. Operating on the front lines, you're at the heartbeat of our e-commerce business – your work drives revenue and is what separates SUPPLY.com from our competitors.

YOU WILL

- Do whatever it takes to make our customers' lives easier, from estimate creation to product delivery, by completing their orders, suggesting additional products, and resolving client issues
- Seek out new relationships and constantly build upon existing ones (calling all sales rockstars!)
- Work hard with your teammates to meet sales goals and actively measure results with an arsenal of top tech tools, from marketing automation to lead activation, at your fingertips
- Be friendly and professional. Period.

YOU HAVE

- Strong working knowledge of Microsoft Office (we're a tech company; no surprises here)
- Excellent written and verbal communication skills
- Rock solid organizational and multitasking skills
- A burning desire to learn quickly, create goals, and move the ball across the goal line

-It would be awesome if you also have:
 --A Bachelor's Degree in any discipline
 --Previous experience with sales and digital marketing in a fast-paced, startup environment
 --Experience working with plumbing and lighting supplies

YOU'LL GET

-Competitive salary, health benefits, and access to our profit sharing and 401(k) initiatives
 -A seat on the fastest growing team within SUPPLY.com
 -A supportive work environment where your opinion is valued
 -Access to growth: find a book to read or an event to attend that will better your career and we'll buy it for you
 -Relaxed dress code (no dry cleaning bills)
 -Quarterly brewery visits (we want to try all the tasty brews in the Atlanta area)
 -Thursday Thank Yous: free lunches and fun activities every Thursday, courtesy of SUPPLY.com
 -Super discounted gym membership at the megacomplex next door

SALES ENGINEER

GeoCorp, Inc.

Position Type: Full Time**Job Location:** HURON, Ohio (United States)**Description:** SALES ENGINEER

GeoCorp is a market leader and technology innovator in thermocouple manufacturing. We are an Ohio manufacturing company that is not downsizing, outsourcing or closing. Instead, we are expanding our staffing to increase market share and continue record growth. We manufacture high-performance thermocouple assemblies, thermocouple wire, connectors and related items used in a wide variety of industry including aerospace and heat treatment.

We are seeking to fill entry to mid-level inside technical positions with long-term career potential. Responsibilities include generating and growing new sales accounts and maintaining a continuously profitable and professional relationship. In addition, opportunities to assist in production, engineering, and development of new products, processes, and production equipment are included. Some travel opportunities available.

Our proven on the job training program provides the background needed to succeed in this uniquely entrepreneurial position.

Successful candidates will meet the following qualifications:

- * Hands-on mechanical aptitude and interest in how things work.
- * Excellent communication skills.
- * Proficient with Microsoft Office Suite.
- * Ability to develop a working knowledge of our ISO quality program and calibration lab.
- * Understanding and application of technical specifications.
- * Confident, competitive and somewhat aggressive.

We are looking for candidates with superior work ethic as well as the willingness, drive, and determination to learn our industry. You must be able to work independently, have an entrepreneurial spirit, and consistently focus on customer satisfaction.

Excellent compensation package includes Health/Life/Prescription/Vision/Dental insurance plans, bonus opportunities, commission incentive, personal time off, and profit sharing/retirement program. Located in a tranquil rural Ohio setting near Lake Erie and Cedar Point.

GeoCorp, Inc is an Equal Opportunity Employer. All qualified applicants will receive consideration for

employment without regard to race, color, religion, age, genetic information, national origin, sex, sexual orientation, gender identity, disability, or military/veteran status.

Entry Level Customer Training Professional (Traveling Representative)

Reynolds & Reynolds

Position Type: Full Time

Job Location: , Nationwide (United States)

Description: The Training Department plays a crucial role in connecting our customers to our software. The main purpose of this position is to help our customers make a smooth conversion to the Reynolds and Reynolds system and provide training and customer support throughout the process.

In this position, you will travel approximately 80% of the time and you will typically be given at least 1 month advance notice about upcoming trips. You will travel both individually and with a team installing and converting our software for customers. This requires excellent presentation and communication skills as you will meet with dealership management to understand the needs for each dealership. Based on these requirements, you will customize the system and train key dealership personnel on how to use the solution.

When you are not physically at a customer site, you will support current customers, prepare for future trips, and conduct follow-ups with recently installed customers from your home office. Since you will be working from a home office, we will provide you with a company car, iPhone, laptop, and printer-scanner-copier equipment.

Training:

Training lasts approximately 2-3 months and includes department observations, classroom instruction, and on-the-job training with a mentor. Classroom instruction includes product training as well as automotive dealership operations. You will focus on one area of the software during your product training and assist experienced representatives with customer set-up and implementation. In addition, you will have the opportunity to see Reynolds solutions in action by visiting car dealerships that already utilize our solutions on a daily basis.

Requirements:

- Bachelors degree preferred
- Outgoing, friendly personality
- Strong written and verbal communication skills
- Ability to travel 80% of the time

Company Information:

Founded in 1866, Reynolds and Reynolds provides document and software solutions to the automotive industry (www.reyrey.com). We offer solutions for each area of the dealership including parts, service, accounting, and sales. Reynolds employs more than

4,300 associates worldwide.

Visit our YouTube channel for an inside look into this position, copy and paste this URL into your browser:
<https://youtu.be/mubCpFREQk0>

Benefits:

We strive to offer an environment that provides our associates with the right balance between work and family. We offer a comprehensive benefits package including:

Medical, dental, vision, and life insurance

401(k) with up to 6% matching

Working remotely with an iPhone, Dell laptop computer, printer/scanner/copier, company car (bi-weekly fee)

Company car for business and personal use

Professional development and training

Promotion from within

Paid vacation and sick days

Eight paid holidays

Referral bonuses

Associate discounts for cell phones, cars, computers, entertainment, and much more

Reynolds and Reynolds encourages applicants of all ages and experience to apply, as we do not discriminate on the basis of age.

Posting Date: March 15, 2017

Salary Range: \$40,000/Year+

Website: <http://www.reyrey.com/careers>

Contact: Stephanie Swigart
One Reynolds Way Kettering, Ohio 45430 United States

Resume Receipt: E-mail, Accumulate Online
