

NURS 3500 Selected Topics in Professional Nursing

Prerequisite: Admission to RN-BSN Program and Approval of Director of Nursing

Credit Hours (Variable): (1-4, 0, 1-4)

Specialized topics from nursing taught by means of lecture, discussion, special seminar, guided independent study, directed experience in the field of nursing, online learning activities, clinical investigation and/or other methods as appropriate. May be repeated once with different topic for credit. An independent study allows the undergraduate nursing student to explore, extend, and enrich content introduced in courses in the BSN program. Students may elect to use these hours on a topic related to their area of focus or on a topic or method related to their proposed BSN project. Variable credit 1-4 hours based on their area of focus.
