NURS 2811

Co-requisite; NURS 2807

Credit Hours: **(6-6-8)**

This course unifies the classroom and clinical experiences of the associate degree student. This course prepares the student to synthesize nursing knowledge to meet client needs with a specific emphasis on the needs of the critically ill client. This course also reviews key concepts from previous courses to help prepare students for the NCLEX. In addition, the clinical component includes learning activities in team nursing, communication techniques, formulation of case presentations and teaching plans, leadership, emergency care, and intravenous therapy for clients through the lifespan
