

Enrollment Quick Facts

SUMMER 2025

Quick Fact Objects

The Quick Fact Objects below are displayed to provide aggregated information for the selected population. Each object's display is composed of a horizontal bar graph displaying the unduplicated Headcount of several categories within that object. For example, the *By Age* object displays information for 5 distinct age groups. At the far right of each element bar, there is a numeric indicator for the percent of the object total for that element. Also within each bar is a vertical solid line which indicates the number of FTEs for that element.

- *Tables for Headcount, Credit Hours and FEs* - Tables show stated statistics by Class Level and Housing Status.
- *By Age*: Age categories are based on student age on the first day of semester.
- *By Adult Learner*: Adult Learner is consistent with the USG definition of being 25 years of age or older at the student's first term of enrollment.
- *By Ethnicity*: Ethnicity categories are consistent with the definitions from USG and IPEDS. Race/Ethnicity is self-reported by the student.
- *By Gender*: Gender categories are based on student Person data.
- *By Credit Hours*: Credit hours categories are based on student enrollment at time data is extracted and all classes where credit hours are accrued. Credit hours from all on-campus and off-campus sites are included regardless of parameter selection and filtering.
- *By Enrollment Status*: Enrollment status is determined based on total credit hours a student is enrolled in at time data is extracted. Less than 12 hours is considered Part-time and 12 or more hours is considered Full-time. Credit hours from all on-campus and off-campus sites are included regardless of parameter selection and filtering.
- *By Class*: Class category is based on student's total accumulated hours earned and current enrolled hours. Break points for each class are FR 0-29, SO 30-59, JR 60-89 and SR 90 and above. Based on credit hours from all on-campus and off-campus sites are included regardless of parameter selection and filtering.
- *By Degree*: Degrees are based on student curriculum information. Since a student may declare 2 programs of study, the headcounts for this object can be duplicated resulting in a total that is greater than the Unduplicated Headcount.
- *By Learning Support Requirement*: Number of Learning Support requirements.
- *By Geographic Region (Origin)*: Geographic region of origination of the student. County of origin is used to for in-state students and categorized as Atlanta Metro County (based on the 20XX US Census 29 county list for the Atlanta Metro Statistical Area) or Other Georgia County. Students with origin outside of Georgia area categorized as either Out of State or International.
- *By Student Type*: Student type for the semester.
- *By Housing Status*: Housing status for the semester. Note that the Quick Facts dashboard only includes registered students. There may be housing students that have yet to register.
- *County of Origin*: All counties of origin with a minimum of 5 students displayed in descending order from left to right on the vertical bar graph. Georgia counties will only list the county name. Non-Georgia counties will list county name and two character state abbreviation. International origins will be categorized as Not Reported.
- *By Major or Pathway to Baccalaureate Degree*: Majors and Baccalaureate Pathways will be based on the student curriculum information. Since a student may declare 2 programs of study, the headcounts for this object can be duplicated resulting in a total that is greater than the Unduplicated Headcount.
