## Graduation Student Survey

Gordon College conferred 513 degrees in 2010 – 2011. In spring 2011, the graduation survey was administered to students who participated in the commencement ceremony. Of the 501 graduates, 158 (31.5%) participated in the survey. The graduation survey assessed students' satisfaction with their college experience and academic advisement.

The results of the graduation survey suggest the majority students are satisfied with their experience at Gordon College. A limited number of demographic questions were asked. The results indicated 59.5% of the graduates were female and 24.7% were male. Nearly sixteen percent of graduates did not report their gender. Almost two-thirds, 63.9%, of respondents were less than 25 years of age and 34.2% were older than 25. Less than two percent of respondents did not report their age.

The top three aspects with the highest satisfaction were:

***I have been pleased with the quality of the professors in my major.*** – 94.3%  
***I feel my classes at Gordon have prepared me well for future study.*** – 92.4%  
***I have been satisfied with the availability of courses in my major.*** – 91.9%

The top three aspects with the lowest satisfaction were:

***My advisor assisted me in developing long term educational goals and plans.*** – 77.8%  
***I have been satisfied with the extracurricular learning experience offered for my major.*** – 84.0%  
***My advisor encouraged me to come in for assistance.*** – 84.2%
