

NAME OF COMMITTEE:

Human Subject Review Committee

August 2015 – May 2016

MEMBERS:

School of Arts & Sciences:

Dr. Peter Boltz, Humanities and Dr. Amanda Duffus, Biology

School of Nursing & Health Sciences:

Dr. Christina Quinn and Winsome Chang, MSN

Director of Institutional Research:

Britt Lifsey

Student elected by SGA: Sean Beckum

PURPOSE:

The Human Subjects Review Committee shall review research proposals that involve the use of human subjects affiliated with Gordon State College. This review will ensure that the research is conducted along ethical guidelines that reflect professional and community standards.

ACTIVITY:

Six applications were received by the Chair of the HSR committee over the course of the 2015-2016 school year. All six studies were approved: four were in the exempt category, one in the expedited category and one in the full review category.

Christina Quinn RN DNS

Chair, Human Subject Review Committee
