Description: The residential program of Midway Recovery Systems is a 90-day program for males, age 21 and older. All persons admitted to the program shall be evaluated by a staff person who has been determined to be qualified by education, training, and experience and who are licensed/certified. Such evaluations shall include a comprehensive assessment of the clients’ physical, emotional, behavioral, social, recreational, and educational status and needs. Treatment Plan Reviews will be updated throughout their stay.

The first 30 days consists of education groups, group therapy, individual therapy, and spiritual groups along with AA/NA 12-step involvement. After the first thirty days, residents seek employment and maintain involvement in 12-step meetings. Our reasonable residential fee of $3,300 includes food, housing, and therapy. Midway Recovery Systems is able to keep the cost to a minimum due to funds received through various civic, religious, businesses, private foundations, and individual donors.

Upon graduating from Midway Recovery’s 90-day program residents now have the option to enter our Extended Care Residence where they can stay an additional 18 months. The cost for the Extended Care Residence is $80 per week and residents are required to furnish their own food at this facility.
