### Breast Cancer Awareness

In support of Breast Cancer Awareness, the Pink Walk was organized by Resident Assistant Latrez Anderson. Members from the campus community joined and walked throughout campus with balloons. Educational materials and cards in memory of loved ones were made available for participants.

### Register for Spring 2019

### Haunted Trail Highlight

On October 31st, a Haunted Trail event was hosted by Residence Life and Student Activities. Resident Assistants Tre' Harris and LaTrez Anderson co-hosted.
